EXCLUSIVE GULET

ESTRELLA DE MAR

CROATIA & MONTENEGRO

Interior structure and finishing details of gulet Estrella De Mar are designed to create the atmosphere of the classical wooden boat providing high-tech facilities such as modern galley, bright illumination, music system and air conditioning.

At 34 metres and with 5 cabins Estrella De Mar affords exceptional space above and below decks for up to 12 guests. The gulet is also fitted with the latest technology for ease of navigation, sailing and manoeuvring.

The captain, chef and three crew of Estrella De Mar are highly trained and dedicated to take care of guests' safety and comfort. They will provide a full service: cooking, cleaning, serving and arranging daily activities.

The crew instinctively know when guests require their services and discreetly withdraw when privacy is preferred. They have their own separate accommodation and bathroom facilities.
